Designed for work on the go

Our smallest business laptop and tablet helps you speed through touch-and-digital pen tasks with battery life that enables employees to work all day from anywhere.

On-the-go power

A portable business laptop with up to 11 hours of battery life, plus Fast Charging to take you from low to full faster when you do need to plug in.

✓ Faster than before

A 10th Gen Intel® Core™ i3 Processor helps Surface Go 3 speed through email, access records, and respond to customers faster.

Flexibility for every task

Your frontline workers are your eyes and ears in the field, and they need flexibility to show you their point of view from wherever they work.

[Learn more about hybrid work](#) >

Get the job done

Empower your frontline for every task, whether capturing photos or handwriting notes on screen, typing reports, or doing an offsite video consult in Microsoft Teams.²

Modes that adapt to how you work

Tackle touch-and-ink tasks on a tablet, type responses to email when you attach Surface Go Type Cover, and write or sketch with Surface Pen⁹ at a natural angle.

Better video calls

Hear and be heard with Dolby® Audio™ speakers, Studio Mics, and a front-facing 5.0 megapixel HD camera.

Adapts to you

Tackle tablet-first tasks in with touch and Surface Pen. Respond to email and type reports with Surface Go Type Cover.²

Capture photos

Capture documents, photos, and videos in high-definition with rear-facing 8.0 megapixel HD camera.

Meet the needs of your employees and organization

For configurations and pricing, contact a Microsoft authorized reseller. Resellers will also help you deploy and manage Surface for your business.

Healthcare

Deliver top-tier care. Securely access information and video call with doctors from your patient's side. Accessories help you keep it protected and anti-microbial.²

[Read case study >](#)

Field operations

Access information on job sites, check inventory and pricing, and annotate photos captured from the field. Customize with cases, mounts, and field service apps.⁵

Retail

Provide a seamless experience for customers with inventory and mobile POS apps² at your fingertips. Compact, and with long battery life, you can carry it all day.

Call centers

Connect with customers with great speakers and mics. Type notes in CRM apps and keep customer data safe. Add Surface Dock 2 to extend to external monitors.

Deploy, manage, and stay secure from anywhere

Keep data safe, and stay compliant and secure with built-in security and firmware-level remote management.

Maximize Microsoft 365

Make the most of Microsoft 365 with the choice of Windows 10 or Windows 11 Pro, Microsoft Enterprise Mobility + Security, and the productivity apps you rely on.

Microsoft security and Surface

Stay secure and maintain control, from chip to cloud, with protection from Microsoft. Mount proactive defences with security built in.

[Surface security](#) >

Cloud-first management

Deploy and manage down to the firmware layer through the cloud with Microsoft Endpoint Manager² and DFPI.³

[Device management](#) >

Kiosk Mode

Restrict access to only the apps and tools customers or employees need in Kiosk Mode.

Designed for Surface® accessories

Rugged cases, sleeves, and vehicle mounts⁹ tailored for your industry make Surface Go 3 the perfect solution for your teams.

[See more accessories >](#)

Surface Go Signature Type Cover

Enjoy a full mechanical keyset, fast and fluid typing, and a large glass touchpad for precise navigation.

Surface Pen

Write comfortably on screen with precision ink and virtually no lag.

Surface Arc Mouse

Slim, light, and ready to travel, Surface Arc Mouse is designed to conform to your hand and snaps flat to fit easily in your bag.

Surface Dock 2

Transform your Surface into a desktop PC by plugging in your Dock 2 with the Surface Connect cable.

Which Windows? You decide

Whether you're still invested in Windows 10 or are ready to introduce Windows 11 to your workforce, you have choices. Both options are available for Surface Go 3.

[Insights and resources](#)

[1] Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.

- [2] Service availability and performance subject to service provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at [surface.com](#).
- [3] Surface Go and Surface Go 2 use a third-party UEFI and do not support DFCI. DFCI is currently available for Surface Go 3, Surface Pro 8, Surface Laptop Studio, Surface Duo 2, Surface Laptop 4, Surface Pro 7+, Surface Laptop Go, Surface Book 3, Surface Laptop 3, and Surface Pro X. [Find out more](#) about managing Surface UEFI settings.
- [4] System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See [Surface Storage](#) for more details.
- [5] Requires license or subscription to activate and use.
- [6] Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.
- [7] Microsoft's Limited Warranty is in addition to your consumer law rights.
- [8] Weight not including Type Cover.
- [9] Sold separately. Software license required for some features. Available colors may vary by market and configuration.
- [10] Support for Individual device activation for eSIM may vary by carrier, however bulk activations leveraging eSIM is not currently available.
- [11] Download the full Eco profile - https://download.microsoft.com/download/4/8/D/48D50344-33CD-4D9A-BA11-0C7DCA1A3948/Ecoprofile_SurfaceGo3.pdf.
- [12] For more information on EPEAT® registration in other markets see [Computers & Displays Searching | EPEAT Registry](#).
