¹ Field Replaceable Units (FRUs) are components replaceable by Microsoft or a Microsoft Authorized Service Provider.

² System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See [Surface Storage](#) for more details.

³ Sold separately. Software license required for some features.

⁴ Feature available with Windows 11 Pro.

⁵ Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.

⁶ This device does not contain user serviceable parts. Hard drive is only removable by an authorized technician following Microsoft provided instructions.

⁷ Keycap labels can fit on the keys on Surface Laptop Go 2 but will require a more precise application due to the key size.

⁸ Surface Go and Surface Go 2 use a third-party UEFI and do not support DFCI. DFCI is currently available for Surface Laptop Go 2, Surface Laptop SE, Surface Go 3, Surface Pro 8, Surface Laptop Studio, Surface Duo 2, Surface Laptop 4, Surface Pro 7+, Surface Laptop Go, Surface Book 3, Surface Laptop 3, and Surface Pro X. [Find out more](#) about managing Surface UEFI settings.

⁹ Replaceable components include AB Cover (Display), C-cover (keyset and trackpad), feet, battery, SSD, and Surflink cable. All replaceable components should be serviced by a skilled technician following a Microsoft-provided service guide. Most components will be available as commercial spares or for Authorized Service Providers shortly after launch. Availability date for some components as a commercial spare or for Authorized Service Provider repair may vary. Authorized Service Providers available in some markets; other markets can be served by Microsoft.

¹⁰ Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After one month trial, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.

¹¹ Available colors may vary by market.

¹² Microsoft's Limited Warranty is in addition to your consumer law rights.

¹³ Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's [Service Guide](#). Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans.

¹⁴ For more information on EPEAT registration in other markets, see https://aka.ms/LaptopGo2_EPEAT.

¹⁵ Download the full Eco profile - https://aka.ms/LaptopGo2_EcoProfile.
