NEW

Surface Laptop 5 for Business

Speed, style, and
performance.

Make your impact with lightning-fast
performance, sleek portability, and
built-in security.

[Watch Video >](#)

[Surface Laptop 5](#) ▾

Superpowered for serious work

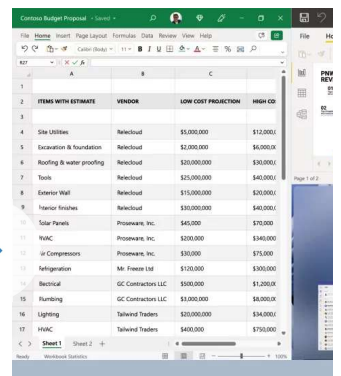

Effortless multitasking

Fast multitasking power with 12th Gen Intel® Core™ processors built on the Intel® Evo™ platform.

Up level the way you work

More natural video calls

Show-up authentically with true-to-life video and low-light performance.

Designed with purpose

Looks sleek, feels light

Slip it in your bag without hesitation, because it's so thin and light. Pull it out of your bag with pride, because it's so stunning.

Choice to work your way

Choose the 13.5-inch size if you're constantly on the move or the larger 15-inch display if you need to multitask with split screens.

Accurate typing, exceptional comfort

Enjoy backlit keys and the perfect balance of responsiveness and key accuracy, with easy navigation on the large glass trackpad.

Your highspeed set-up awaits

Connect to a monitor, charge your device, and easily transfer data with USB-C and Thunderbolt™ 4.

Find the right fit

[1] Up to 18 hours of battery life based on typical Surface device usage on Surface Laptop 5 13.5-inch

Testing conducted by Microsoft in August 2022 using preproduction software and preproduction 13.5-inch Intel® Core™ i5, 256GB, 8GB RAM device. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing eight popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel, OneNote and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default, except screen brightness was set to 150 nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Tested with Windows Version 11.0.22621 (21H2). Battery life varies significantly with settings, usage, and other factors.

Up to 17 hours of battery life based on typical Surface device usage on Surface Laptop 5 15-inch

Testing conducted by Microsoft in August 2022 using preproduction software and preproduction 15-inch Intel® Core™ i7, 256GB, 8GB RAM device. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing eight popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel, OneNote and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default, except screen brightness was set to 150 nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Tested with Windows Version 11.0.22621 (21H2). Battery life varies significantly with settings, usage, and other factors.

[2] Sold separately. Software license required for some features.

[3] System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1GB = 1 billion bytes. 1TB = 1,000GB. See [Surface.com/Storage](https://surface.com/storage) for more details.

[4] Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorize Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.

[5] Requires Dolby Vision® encoded content and video.

[6] Requires Dolby Atmos® encoded content/audio.

[7] Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. If you activate your trial outside your organization, after 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.

[8] Download the full Eco profiles – [13.5-inch](#) and [15-inch](#).

[9] For more information on registration in other markets check - [Download Eco Profiles from Official Microsoft Download Center](#).

[10] Colors available on selected models only. Available colors, sizes, finishes, and processors may vary by store, market, and configuration.

[11] Microsoft's Limited Warranty is in addition to your consumer law rights.

[12] Surface Go and Surface Go 2 use a third-party UEFI and do not support DFCL. [Find out more](#) about managing Surface UEFI settings and Surface devices on which DFCL is enabled.
